Events

-of ALL kinds-

The Hallowed Halls is suitable for any gathering. We partner with several different caterers and decorators if you need those services for your event. Whatever the get-together is, we can accommodate you! Our venue space lends itself well to a variety of events, like arts presentations or discussion seminars. As we have premier recording studios on site, we are an ideal event venue for productions with live audiences and music. We have the right acoustics to make for a great recording and filming space. We are well prepared to assist with stage set up, tear down and providing the proper equipment to make your event a great success- no matter what it is!

History

SHARE YOUR *special day* WITH US!

Housed in a picturesque building on the National Register of Historic Places, our Great Room features 1,600 square feet of open space with spacious 18-foot ceilings. Lined with 10-foot windows that provide gorgeous views of the surrounding maple trees, our unique wedding venue captures a mood that is artistic, elegant, and intimate.

The Hallowed Halls is ideal for entertaining guests at your wedding ceremony, reception, or both. Originally constructed in 1918 as a Carnegie Library, the Hallowed Halls has been home to Woody Guthrie concerts in the 1940s, swing dances in the 1980s, and the birthplace of some of Portland's most treasured record productions. Today the Hallowed Halls continues its tradition as Portland's premier recording studio, and as the perfect venue for life's most important moments.

the Space

Fill it with beautiful décor, food, music and guests, and it will transform into the wedding venue of your dreams. We opened The Hallowed Halls to be a full-service venue, creating a custom-tailored experience for all of our guests. That's why we don't just offer a beautiful space, we offer a host of services to turn your artistic vision into a reality:

- Full access to our Great Room, dining room, kitchen, two bathrooms, private back garden, Studio B, and petite bridal suite
- Cream colored floor to ceiling blackout curtains if indoor lighting is preferred
- State of the Art lighting system to match any mood, color palette, or style, designed by Outlaw Lighting's Billy Claire. Let us collaborate with your planner to create a unified visual aesthetic, or hire our in-house lighting engineers to handle it for you
- Baldwin concert grand piano, vintage Hammond B3 organ, and antique upright piano for the entertainment of your guests
- Ten 60" round tables and 100 matching white chairs available in-house
- Optional packages to make a professionally recorded album, film your event with motion-picture quality video equipment, or both!
- 324 sq. feet of redwood vinyl dance floor
- World class microphones, PA system, and audio engineers
- Fully ADA accessible
